Saturday, June 19  
10:00am – 2:00pm

*Tim Masters* has been scheduled for his first of three surgeries for June 28<sup>th</sup> if tests the week before show that he is strong enough for the surgery.

*Joe Sparks* is now at home following a brief stay in Monroe Hospital for congestive heart failure. He is now under medication to remove fluids.

*David Wall* is now at home following surgery to repair his badly broken ankle. Remember also to honor the request of *Larry and Barbara* that we pray for their faith, trust and strength as they care for David.
